**Jonathan Goldstein, Senior Advisor at TA Associates,
Named a Board Member of The Steppingstone Foundation**

BOSTON – May 16, 2016 – The Steppingstone Foundation recently announced the addition of Jonathan Goldstein, Senior Advisor at TA Associates, to its Board of Directors. Steppingstone develops and implements programs that prepare underserved schoolchildren for educational opportunities that lead to college success.

“As the co-chair of Steppingstone’s Board of Ambassadors, Jonathan has been a tireless advocate on behalf of Steppingstone. We are thrilled to welcome him onto our Board of Directors and know he will continue to be invaluable in helping us serve as many Boston students as we can,” said President Kelly Glew.

Goldstein, a Back Bay resident, serves on the Board of Directors at Senior Whole Health, and Twin Med, and in a variety of roles at MIT, his alma mater. He also serves on the Boards of the Whitehead Institute for Biomedical Research and the World Wide Web Foundation.

“Steppingstone gives students and families a way forward, helping them navigate the system and giving them the skills to compete in secondary school, college, and beyond,” said Goldstein. “I am honored to join the Board of Directors of such a worthy organization that is making a difference in students’ lives every day.”

ABOUT THE STEPPINGSTONE® FOUNDATION

Founded in 1990, The Steppingstone Foundation develops and implements programs that prepare underserved students for educational opportunities that lead to college success. Based on the premise that, regardless of circumstance, children can achieve at high levels with effective preparation and support, Steppingstone

programs emphasize rigorous standards and achieve meaningful results. Each year, The Steppingstone Foundation provides free college-access programs to more than 1,600 Boston students. Scholars are admitted in elementary or middle school, and continue to receive preparation and support until they earn their college degrees. For more information about Steppingstone's three programs—The Steppingstone Academy, the College Success Academy, and the National Partnership for Educational Access—please visit www.tsf.org.
